1. Inasmuch as [REDACTED] did not get in touch with me last week as agreed, I telephoned him on 3 June to ask him how he was getting along with his attempts to find another job. He said that he was still waiting to hear from a couple of people whereupon I asked him how much time he needed and he replied that he thought a couple of days would be sufficient. It was, therefore, agreed that he would get in touch with me not later than Wednesday, 5 June, and I emphasized that I expected to hear from him.

2. Later in the day I learned that [REDACTED] had presented his case to the Inspector General.
